About Heritage Bank

Heritage Bank was founded in 1990 by a group of local businesspeople alarmed about the shrinking access to community banks able and eager to respond to regional consumer and business banking needs. Now serving Cincinnati and Northern Kentucky through 19 branches, the bank remains a family-owned institution, already grooming the third generation of leadership. In an age of ongoing consolidation, Heritage Bank is resolute about remaining an independent bank, rooted in the communities where we operate. Heritage Bank, Member FDIC.
