Bill Marcum Promoted to Credit Manager

Leading Regional Community Bank Promotes Assistant Manager to Head of Credit Department

(Burlington, Kentucky, March 4, 2021) – Bill Marcum has been promoted to credit manager. He brings several years of banking experience as well as expertise in credit.

“Bill is a seasoned credit professional primed for a leadership role,” said Peter Weickgenannt, Heritage Bank Senior Lender, Commercial Banking. “Since he was recruited to the bank, Bill has made valuable contributions in Credit Administration and built a strong rapport with his team.”

Marcum was studying finance at Northern Kentucky University when he started his banking career as a part-time teller at Clermont Savings Bank. After completing his degree, he worked at the Bank of Kentucky, progressing through retail to branch manager and then working in commercial credit as a senior credit analyst and commercial loan workout officer. He then moved to MainSource bank to be a commercial loan workout officer before joining Heritage Bank in 2015.

About Heritage Bank

Heritage Bank was founded in 1990 by a group of local businesspeople alarmed about the shrinking access to community banks and eager to respond to regional consumer and business banking needs. Now serving Cincinnati and Northern Kentucky through 19 branches. In an age of ongoing consolidation, Heritage Bank is resolute about remaining an independent bank, rooted in the communities where we operate. Heritage Bank, Member FDIC.
