### **Daniel Anderschat Joins Heritage Bank as Assistant Vice President, Card Services Advisor**

**(Burlington, Kentucky, June 18, 2024)** – Heritage Bank announces a new member of the Treasury Management team. Daniel Anderschat has joined the bank as assistant vice president, card services advisor.

Anderschat started his banking career as a universal banker at U.S. Bank, then was promoted to branch manager. Most recently, he worked at Heartland Payment Solutions as a relationship manager selling merchant services.

“Daniel’s knowledge of both the retail and commercial banking space, experience in relationship building, and expertise on a variety of banking products has prepared him to excel in this role,” said Nick Salsgiver, SVP, Treasury Management.

Anderschat holds an associate’s degree in business management from American National University.
