### **Dalton Webster Promoted to Branch Manager at Ft. Mitchell Office**

**(Burlington, Kentucky, September 17, 2024)** – Heritage Bank announces a new leader at a branch recently relocated from Crescent Springs to Ft. Mitchell, Kentucky. Dalton Webster has been promoted to assistant vice president, branch manager.

Webster joined Heritage Bank in 2022 as a head teller at the Williamstown, Kentucky Office, then moved to the Burlington Office as universal banker in 2023. He also won a Heritage Bank Soaring Star Award in December 2023, an honor reserved for employees whose performance over the previous year is considered exceptional.

“During his time at Heritage Bank, Dalton has demonstrated hard work and commitment to ensure smooth day-to-day branch operations,” said Greg Young, SVP, Head of Retail. “Dalton is also skilled in training new employees and exhibits exemplary customer service skills which is a talent we look for in the people we elevate to branch management.”

Webster has been building his banking career since 2020. He started as a teller at Central Bank & Trust Co. Before becoming a banker, he worked as a jewelry sales consultant for several years at Kay Jewelers.

Webster holds a bachelor’s degree in business administration from Thomas More University.

## **About Heritage Bank**

Heritage Bank has been serving small and mid-sized businesses as well as local residents in greater Cincinnati since 1990. One of the region's eight largest banks, Heritage Bank's commercial loan operations include the Miami Valley, Ohio and Louisville, Kentucky. In an age of ongoing consolidation and local banks going public, Heritage Bank remains resolute about remaining independent and promoting the prosperity of the communities we serve. Heritage Bank, Member FDIC.
